

## LIGHT COMMERCIAL SPLASH PADS

safe outdoor fun to fit  
your budget, your style,  
your customers

What amenities do you offer that your competition doesn't? Your answer can set you back or set you apart. **That's where we come in.** Our design team and expert installers can *create a one-of-a-kind outdoor recreation haven* that will appeal to your most valuable resource - your customers.

Expand your options for active and imaginative play with any one of our safe and vibrant splash pads, complete with unique and exciting water play features made by **My Splash Pad**, right here in the USA. Choose from water cannons, flower showers, umbrellas and more!

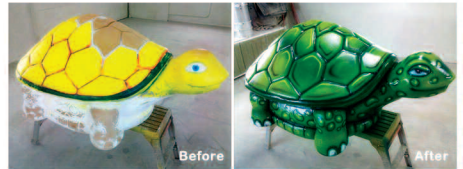

Add value and reduce the chance of injuries with one of our eco-friendly, low-maintenance, and UV resistant safety surfaces. They cushion falls, keep toes cool, and can be designed to incorporate your own unique design or logo.

## LIGHT COMMERCIAL SPLASH PADS

*Add ambiance with a hidden gem splash pad* that installs as a beautiful patio and refreshing water feature by day, and serves as a dramatically lit fountain by night.

If you already have an existing water play space, but your features are beginning to look a bit worn and tired, let us revive them with our *water playground equipment refurbishing service*. Why buy new when you can recycle, reuse, and save?

These suggestions merely hint at what we can do for you.  
So visit us @ [www.mysplashpad.net](http://www.mysplashpad.net) or contact us to discuss your project today.

Celebrating over twenty-five years in the service industry.
