

RESIDENTIAL SPLASH PADS

we put the fun in
your backyard!

From custom designed and installed residential splash pad packages to do-it-yourself splash pad kits, **My Splash Pad** makes the idea of

transforming your backyard into your water play vacation destination an affordable reality for a myriad of budgets.

Choose from our line of **made in the USA water playground equipment and water play features** - water cannons, flower showers, umbrellas and more!

Rest easy knowing our splash pad kits and splash pad installation packages include a chlorinator and a UV light sanitizer/clarifier that kills 99.99% of bacteria and viruses.

We also offer a **variety of low-maintenance and eco-friendly safety surface options** in an inexhaustible number of color combinations to reduce injuries and keep toes cool without compromising style.
